

An End of an Era

On November 12, 2020 the Daughters of Isabella draped the charter for the last time. It was for Sister Rita Jo Kendrick, a member for 30 plus years. For 101 years this was practiced after each member passed. It was a sad end, for the end of an era, for the Daughters of Isabella.

This organization has been a source of peace and constant champion for our parishes. It is with a heavy heart, I want to thank all the present and past members that have given and received so many prayers, endless amounts of food for funeral dinners and the many hours spent doing good for our parish. This is the end of this organization, but will be the beginning of another opportunity for our parishes.

At Holy Rosary Parish we will continue our prayers and dinners as we revise, reorganize and reenergize our Altar Society. All men and women are members of the Altar Society and we hope to have each person use their talents for the good of Holy Rosary Parish. One organization will make us a stronger unit to give praise and honor to God as we redevelop this program. Thanks to all of you for your support during this transition.

Always in Christ
