FORMED.org – We celebrate the Feast of Corpus Christi this Sunday. FORMED Now has a Sacred Art series and this episode discusses different pieces of Sacred Art that focus on Corpus Christi. There is an interesting story behind the art and I learned some fascinating details from this episode. It is less than 20 minutes in length.

SACRED HEART OF JESUS - Whether statues or stained glass, the image of the Sacred Heart of Jesus can be found in churches all over the world. **Friday, June 11th is the Feast of the Sacred Heart.** Jesus looks down, one hand extended out and another pointing to a heart wreathed in thorns and glowing with light. In the Sacred Heart, we see both the sorrow and the joy of the life of Christ, who became one of us out of love. "Jesus knew and loved us each and all during his life, his agony, and his Passion and gave himself up for each one of us? He has loved us all with a human heart" (CCC 478). In the Incarnation, God becomes man. Jesus experienced the fullness of humanity, including its sufferings. We remember all that Jesus endured for us. We also remember why he endured it -- out of love.
