

Ladies of Holy Rosary

We would like to thank all of those who were able to attend our first BBQ event in June. We had a great turnout! The committee has been working on implementing some of the former Daughters of Isabella and Altar Society duties and adding in some of the awesome new ideas that we heard at the meeting. First off, the votes were counted and our new ladies' organization will be named: *The Ladies of Holy Rosary*! As a reminder, this is for any and all ages of women in our Parish!

Our 3 main goals for this women's group are Charity, Service, and Social. We will continue to organize fundraisers to help out with parish needs. There are also many duties and continual upkeep to keep our parish going. Those organizers are always looking for more volunteers. The plan is to only have a few socials per year, as to not overwhelm everyone's calendars. If you are looking to get more involved, we have provided a list of things that our group participates in, and a contact person for those events. Also included below, is a list of services that our community and parish offer for those that may need them.

Our prayer email list was started on August 15th. If you are not receiving those emails or prefer a phone call, please call the parish office. Prayer requests should be emailed to cherylbilleliott@gmail.com. Our first new fundraiser was the Ice Cream Social. Thank you to all who helped to make that a great success! We look forward to another ice cream social next year. The funeral dinner volunteer list has been revised and emails are being sent to those who have signed up. Please contact Dorothy Shively or Regina Miskell if you would like to be added to that list.

At this point of restructuring, there will not be officers for the group. A committee has been formed to help organize our new group, their names are listed below if you would like to contact any of them. If you are interested in being on this committee, please contact one of the members or the parish office.

We would like to thank you for showing your interest and volunteering to help keep our church moving forward and growing your faith!
